

# NAA Organisational Structure

# NAA & Apprenticeships

- Higher Apprenticeship Development opportunity
- Task:
  - Ensure that companies, and especially SME's have the knowledge, understanding and opportunities to provide higher apprenticeships
  - Enable companies within the automotive sector to support each other to maximise the opportunity; sharing of resources, over-training, sharing recruitment.
  - Deliver apprenticeship starters over a 3-year period.
- What can you do:
  - Hold an in-company meeting with Susan Butters who will talk you through apprenticeships in general
  - Explain your needs
  - Use us to help build your business case

**TAKE ONE MORE APPRENTICE!**
