### Details: -

*You have great products, your people have great skills, your customers like you – but your business is still not realising its full potential. Sounds familiar? In this fast-paced session Andrew Dewhurst of Affilius Consulting will share 21 top tips for increasing sales, margin and bottom line profit, against a backdrop of ever-increasing competition and information overload.*

*Andrew has successfully grown businesses from the kitchen table through to £12m turnover. He has lived and worked in the USA and Switzerland as well as implementing business change in 19 countries around the globe. He now advises SMEs on sales, strategy and IT, and has completed more than 250 client projects, with particular focus on ICT, manufacturing, service and 3rd Sector.*

***Increase sales – differentiate your product range,  
reinvigorate your profile and stand out from the crowd!***

*spaces are limited so register now on the following link.....*
