BRITAIN & NORTHERN IRELAND

UK – South Korea Automotive Business Partnering Event

Invitation – 3 November 2016, Seoul, South Korea

Hyundai MOBIS will hold a business partnering event on 3 November 2016, in partnership with the Department for International Trade team in the British Embassy, Seoul and DM Global Trade Task-Force.

This event will provide British automotive original equipment manufacturers and enterprises a unique opportunity to meet Hyundai MOBIS and its major vendor companies to explore potential for commercial partnerships.

The event will feature:

- Presentations by Hyundai MOBIS
- A speaking slot will be allocated to UK companies who express an interest
- One to one business meetings with Hyundai MOBIS and its major vendor companies (the company list will be shared upon receipt of your interest)
- Networking reception
- Interpreters will be provided

If you are a potential first time exporter to South Korea a free return air ticket may be offered by the organisers upon further discussion (five tickets total available).

If you are interested in attending this event please send your application by 12 October 2016 to Mr Dongmin Chae (cc to Jiyoung Leet).

Date: Thursday 3 November 2016

Where: Seoul, South Korea
